## TEAMWORK STAFFING LAUNCHES NEW EASY TO USE TEMP AGENCY WEBSITE

Teamwork announces the launch of their new website to help clients reach out.

**Knoxville, TN, March 20, 2017**– Teamwork Staffing, an industry leader in temporary hiring, temp-to-hire, and direct hire services, is pleased to announce the launch of its new website aimed at improving customer experience. The new website offers extensive information about employment opportunities in Knoxville and gives job seekers and employers a simplified platform to apply for and fill vacant positions in a wide variety of fields.

Built from the ground up with the user experience in mind, this new web platform is designed to be compatible with today's popular mobile platforms and browsers. The result is an easy to use web platform that allows users to find the information they are looking for, share it with others, and help connect employers with their best potential employees.

With Teamwork staffing, employers can effectively meet their unique staffing needs. The company offers solutions for employers seeking temporary or permanent staffing by connecting them with the most qualified workforce possible. Teamwork's customized process is tailored to its client's specific needs to ensure that they create a workforce that will drive their growth and success.

With over 15 years of staffing experience, Teamwork provides job seekers the opportunity to find employment that best fits their goals and qualifications. Whether you are having a tough time finding employment, or are not satisfied with your current position, teamwork works diligently to find a position where you can thrive.

Teamwork utilizes a straightforward process. Employers and employees reach out to them, and a

working relationship begins. The new web platform helps to streamline this process even further, allowing prospective clients and employees to reach out with a fillable form that can be submitted in less than a minute from any computer or mobile device.
